LETTER
FOR POA and Statement under 37 CFR § 3.73(b) RECONSIDERATION

Sir:

Counsel has previously electronically filed a Power of Attorney with a Statement under 37 CFR § 3.73(b) in this case for customer number 24131. We have received Denial of Request for Power of Attorney from the patent office.

Lucia Andrade from our office spoke with Terry Dey in the legal department and was told that attaching a copy of the USPTO "Patent Assignment Abstract of Title" to the signed statement was acceptable. Lucia Andrade spoke with Mark Polutta and was told that he has reviewed a few of the forms and he found them acceptable. Mark Polutta suggested that a letter be submitted to request reconsideration of the previously submitted documents.

Counsel respectfully requests that the statement and POA previously filed for customer number 24131 be reprocessed expeditiously.

It is noted that until the Powers of Attorney and Statements are accepted, PTO correspondence will be forwarded to the previous attorneys who no longer have a Power of Attorney nor any files for these applications. This may jeopardize applicants' rights in these applications.

Because of the importance of this matter it is requested that whom ever reviews this paper immediately should call undersigned counsel or Lucia Andrade at 954 925-1100 and let counsel know if the papers will be entered.

Respectfully submitted,

/Laurence A. Greenberg/
